EXPERIENCE

Slack San Francisco, CA
Front-end Developer Intern May 2016 – Aug 2016
Worked to implement new features on the Slack web client.

Qualcomm San Diego, CA
Software Engineer Intern May 2014 – Aug 2014
Designed a framework to automatically validate the Android user interface. Used Perl, Java, and Batch scripts to integrate the tool into the testing platform. Also developed and refactored Android apps used for testing.

Locket Urbana, IL
Web Developer Intern Oct 2013 – Dec 2013
Created the press and developer sites for a Android app startup.

ACTIVITIES

HackIllinois 2016 Sep 2015 – Dec 2015
Worked with a team of developers and designers to help build the website for one of largest hack events in the Midwest.

RISE Sep 2014 – Sep 2015
Engineer in a student-led, immigration reform organization that leveraged web technologies to promote political change.

ACM Aug 2013 – present
Member of Web Monkeys and SIGMobile, student interest groups for web development and mobile/Android. Active volunteer at student run events such as HackIllinois and Reflections Projections.
